

INTRODUCING \$OCCER

another money machine from the makers of VOLLEY & HOCKEY

Here's an action-packed video game that lets you cash in on the growing interest in European type soccer. Using the same designs that have made Ramtek's "Volley" and "Hockey" overnight successes, Soccer will be even more profitable because it can be played by either two or four players. This means more competitive involvement for increased replays.

- 25¢ and 50¢ play produces more profit per square foot of floor space
- Can be played by two or four players
- Attractive, vertical cabinet fits in anywhere
- Realistic sound system, quiet enough for lounge use
- All solid state design for low maintenance and long life
- Uses commercial quality TV monitor for the highest reliability
- One year logic board warranty
- Engineered interior design prevents tampering, simplifies service

Easily accessed, open-proof coinbox

Designed for easy maintenance access

AVAILABLE FROM

UNEQUALED SERVICE

Ramtek video games are backed by the most responsive service in the industry. When repairs are needed, they're done fast. And new logic boards can be in the air within 24 hours. In short, when it comes to service, Ramtek doesn't play games.
